MySQL · PostgreSQL · Python · Excel

Other

UI/UX principles · Cybersecurity awareness
· Hardware & software troubleshooting ·
Microsoft Office

LANGUAGES

Albanian	NATIVE
English	B2
German	A1

PROFILE

Software developer with hands-on experience in web technologies and Java, currently studying abroad at the University of Hildesheim as an Erasmus exchange student. I build responsive, thoughtfully designed applications and enjoy working across the stack — from clean, accessible interfaces to well-structured back-end services.
